

**CANDIDATE FOR GOVERNING BOARD MEMBER
APPLE VALLEY UNIFIED SCHOOL DISTRICT**

NAME: LISA LAWRENCE

AGE: 43

OCCUPATION: Peace Officer/Captain

The nature and extent of dangers facing our children has changed. Traffic volume, predators, gangs, bullying, and other safety issues are on the rise, making school grounds and routes of travel increasingly dangerous. These issues distract teachers and administrators from their primary mission; to teach our children.

As a law enforcement professional with over 20 years experience, I will share my skills to enhance the safety of our children and school personnel. As a mother of four, I have 15 years of experience with the public school system, with many more to come.

While I have tremendous respect for those dedicated to the noble profession of teaching, I am not beholden to any special interest group. My interest in seeking this position is solely for the benefit of our children. I believe all children are entitled to a quality education provided in a safe environment.

Times have changed. Our current school board does not have any members with children in the district and is missing this important perspective. My personal and professional experience, coupled with my sincere desire to improve our children's educational experience will help move our district in the right direction.
